Honorable T. K. Koh
Chinese Consulate General
[illegible] N. Wells Street
Chicago, Illinois

Dear Mr. Koh:

Doubtless you know that Yenching University has been requested by the Chinese Government to supply some items for the educational section of the Chinese exhibit of the Century of Progress in Chicago this summer.

Some of this material is now in New York and we are wondering what to do with it. We have noted in the public press that the Chinese Government has now decided not to exhibit in the Century of Progress.

Will you kindly give us any information you may have regarding these points.

Sincerely yours,

B. A. Garside
Secretary
