My dear Dean Chase:

A cablegram received from Yenching University today contains the following message:

"DR. CHASE:- RECOMMEND FELLOWSHIP KWEI DUN ACCORDING TO YOUR LETTER OF JUNE 18 OF THIS YEAR".

We understand from the above that Dr.Stuart is recommending for a fellowship Mr.Kwei Dun concerning whom you wrote to Yenching on June 18. If this interpretation is correct we sincerely hope that it will be possible for Mr.Kwei to obtain this fellowship. I would be glad to cable Dr.Stuart any reply you may wish to send.

Very cordially yours,

BAG-H

TRANSFER

My dear Mr. Garside:

In Dean Chase's absence I write to acknowledge with thanks your letter of July 19. Mr. Chase will be in Cambridge early in August, and I am sure he will be glad to learn that the Administrative Committee in Peking approves the granting of a fellowship to Mr. Kwei.

Last spring the Executive Committee voted to offer Mr. Kwei a resident fellowship at Harvard provided such a recommendation met with the approval of the Administrative Committee in Peking. Since Dean Chase made clear in his letter to President Stuart that the recommendation needed only the approval of the Peking Committee, I do not believe it is necessary to cable Dr. Stuart in reply.

Sincerely yours,

Helen Wadman,

Secretary to Dean Chase.

Mr. B. A. Garside
